PREMIUM ARABICA AUTHENTIC FILTER COFFEE DECOCTION

This product is made using 100% Arabica Blend (80:20), sourced from the finest estates of chikmagalur. This is India's first product to have 100% Arabica beans blend, in decoction format. The beans are medium roasted and brewed using Traditional South Indian Filters, for Premium Filter coffee Consumers.

Taste Notes :-

Naturally sweet, Chocolate and Nutty

Best Suited for :-

Filter coffee, Cold coffee etc.,

100% PURE ARABICA LIQUID COFFEE - SUN DRIED

Made with 100% AAA grade Arabica beans. 'AAA grade is the highest grade in Indian Arabica beans. SUNDRIED is the process in which the beans are allowed to dry with the cherry, under natural sun light for around 14 to 21 days. This method gives a fermented and fruity taste to the coffee.

Taste Notes :-

Dark chocolate, Fruity, fermented flavour

Best Suited for :-

Americano, Long black, Black coffee, Espresso, Coffee shakes etc.,

100% PURE ARABICA LIQUID COFFEE - WASHED

Made with 100% AAA grade Arabica Coffee beans. No chicory content, Liquid coffee. 'AAA' grade is the highest grade in Indian Arabica beans. Washed is the process in which the beans are separated from the cherry and allowed to dry. This process gives the coffee a distinct flavor of the origin variety with a hint of floral notes.

Taste Notes :-

Dark chocolate, floral, nutty

Best Suited for :-

Pure Filter coffee lovers, Coffee Mocha, Cold coffee, Black coffee etc.,

REFRESH KAAPi

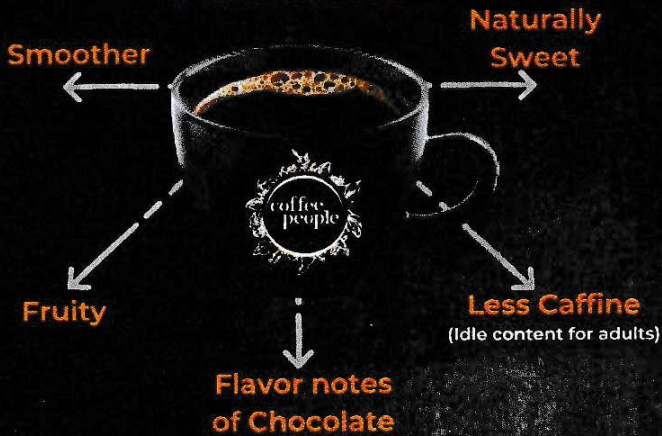

This coffee is made using in house Blend and is made for strong coffee lovers. Just mix with hot milk & sugar, filter coffee is ready in seconds.
